

Pain Management

Now at Lakeview Private Hospital

Dr Maher Michel

Consultant Anaesthetist & Pain Management Specialist

Dr Maher Michel is a consultant Anaesthetist with an interest in Pain Management. He has extensive experience in running a similar Pain Management service in UK. He is one of the founding members of the Faculty of Pain Medicine, Royal College of Anaesthetists UK.

Dr Michel has experience in dealing with the wide spectrum of patients who have been suffering from acute/chronic back and neck pain, neuropathic pain and vascular pain. He offers a multidisciplinary approach and works with rehabilitation specialists, psychologists, spinal surgeons, physiotherapists, and other allied health practitioners.

Dr Michel manages the following types of pain:

- Low Back Pain
- Neck Pain
- Chronic Pain associated with an operation
- Facial Pain
- Neuropathic Pain
- Post Amputation Pain
- Complex Regional Pain Syndrome
- Interventional Pain Management
